850W DVD home cinema system with iPod®/iPhone™ cradle, 2 tallboy speakers, 2 rear speakers and HDMI™ upscaling to 1080p. USB playback and recording, BRAVIA Sync for one touch control plus S-AIR Ready to go wire free

Features

Please be aware that the features/specifications can differ from country to country.

- 850W of room filling sound from a central speaker, 2 super stylish tallboy speakers, 2 rear speakers and a 160mm ultra-compact subwoofer
- Get stunning Sony sound quality from your iPod® or iPhone™ with the included iPod®/iPhone™ cradle
- Built-in upscaler generates a 1080p signal via HDMI™ cable for superb picture quality on your High Definition TV
- USB playback and recording for your favourite mp3 tracks (compatible with Walkman® mobiles), plus movie playback from a USB memory stick (DivX and Mpeg4 simple profile)
- S-AIR Ready - an optional extra that enables you to go wireless and enjoy a cable free environment (rear speakers only)
- BRAVIA Sync for simple, integrated control with your BRAVIA TV and other compatible products using only one remote
- DCAC - one-push automatic sound set-up for flexible speaker placement and optimum sound quality
- Hear your movies come to life with Dolby® Digital, Dolby® Prologic II and DTS Decoding
- DIGITAL MEDIA PORT - connect to and release digital music stored on your WALKMAN®, iPod® or other mp3 players, mobile phones, Bluetooth® and Wi-Fi devices
- FM radio tuner with RDS and 20 station presets
- Portable Audio Enhancer function improves the sound quality of compressed music such as mp3
- AV Sync for perfect sound and image synchronisation with flat panel TVs
